Gather Around!

Hares: Tentpole

Occasion: Just for wanking

Location: Lobster Farm, Janabiyah

Headcount: 40

Virgins: Just-Ann and Just-Liliban from Kenya. African Queen made them cum!

Returnees: 2 Dot Katoy and Camel Jockey

Visitors: None

Trail:

There are dots, checks, and falsies. Most importantly, there is plenty of booze! Checks have 2 dots in them and falsies have 3. There is vodka stop AND a beer stop! There will be food at the end!

Circle Up!

Raffles: Tentpole, Cunt Chunkula with 2 wins, Drag Queen, Just-Charlie, STTI, and Pedoless with 2 wins.

Critique: Camel Jockey

Description: Tentpole was in his hummer and Camel Jockey was riding shotgun. Tentpole was lazy and laid the trail while driving his car. There was vodka flavored orange juice which tasted like shit! And the trail was as long as Camel Jockeys dick.. so.. not that long at all.

Rating: -9.5 out of 10

Down Downs

On this day in 1916, the Germans declared war against Portugal. Cunt Chunkula being the only German has destroyed an entire culture! All the portugalies are DEAD! And it is ALL HER FAULT! Bloody Germans! No wonder we don't have anyone from Portugal on the Hash.

In 1863, the CSS Virginia (confederate) fought the USS Monitor (Union). Cunt Chunkula being the only southerner fought PANDA, Lady Good Diver, Sperm Male, Pedoless, and 2 Craps. They fought long and hard. They fought each other so long with cannon balls and shooting at each other that they had to declare a draw. They had enough of what was cumming at them.

The year 1959 was such a great year. We had so many things to look forward to, which we will not get into detail about, because this year, was the first appearance of the Barbie. You know.. 37 – 5 – 38.. BARBIE! so lets have all our Barbie's in the circle. STTI, Lady Good Diver, and Cunt Chunkula being our more traditional Barbie's. We also have Just- Charlie and Naval Vessel as a display of our Semi-Top-Full-Bottom Barbie's!

Today, March 9, 2015, something magical happened. M.U.S.T was on Radio Bahrain thanks to Codswallop being their DJ. So whats so magical? Well, 2 Dot Katoy is the front man for his band and probably writes most of their music. So, you would think 2 Dot is making it in life! He's hit it big! But if you heard them on the radio, you would maybe.. notice something? All you could hear is 2 Dot saying "YEAAAHH YEAAAAHH Ooooh YEAAAHH!" yeah, that's right, NO LYRICS! So... S H I T T Y M U S I C! Shitty music, is sucks! Shitty music, it blows! The mother fuckers play some shitty music! I'd rather shoot myself then listen to your shitty music. S H I T T Y M U S I C!

STTI thought the new Bahrain Hash House Harriers shirts which are for St. Patrick's Day, looked funny. She laughed at how the shirt, which was designed by the Haberdashers and NO ONE ELSE, looked like a Dick and Balls cumming on Hashers... No, she didn't think it was St. Patrik vomiting on hashers, but a big DICK AND BALLS!

Ham Salami Bacon was supposed to pick up Naval Vessel for the hash. He said he would pick up at 5pm SHARP. Well, 5 pm came and he wasn't there.. Ham Salami Bacon picked Naval Vessel at 5 past.. That is 5 past 6! He was so busy "fixing" his hair that he has little of that they almost missed the hash!

Today, Curve Balls asked if he could hitch a ride with Red Cock Down. If you didn't know, Red Cock Down had purchased a new car over the weekend. It was a dodgy blue car which he bought from a dodgy Norwegian. That Norwegian happened to be Curve Balls, who sold his car to Red Cock Down and is now getting picked up by him!

Accusations

Lady Good Diver has been helping out with all the down down beers for the past few months, and for that, she gets to have one!

Tent Pole used the wrong signs today! How dare he disrespect our amazing Bahrain Hash House Harriers by using the signs of the hash we don't speak of! Shame!

All hashers know this, but Rick O'Shae didn't get the memo. We all know you can't teach D-Cup DUI anything cuz he is as stupid as shit! Besides, you can't teach an American cricket!

Queen Latifa, Ham Salami Bacon, Head With My Mom have been at it again! They have tech on the hash!

Wanker of the Week: Call Girl for the 2nd week as he has been too busy playing gulf!

Leavers: today is Pump Action Needle Dick Anal aka PANDA's last hash. He will be headed to America to reunite with Rooftop Screamer. May he venture with other hashes and know that the Bahrain Hash House Harriers will always be here to welcome him back.

ON-ON!
