Down Downs

There is a big fight coming up and we all know who the Filipinos are gunna cheer for! Pacman! All Filipino's drink! If you are one are have been in one! The Referee, Dancing Queen, Drag Queen and Chairman Meow.

Katy learned an American tradition today. It's the wearing of rubber! 2 Craps was there to teach her! It just so happens that someone with exterior rubber nipples needed help putting them on and Katy was trying to help but couldn't figure it out. So they asked 2 Craps if he could help aaaand surely he did! He pulled down his pants and put on a rubber. He said ill help you if you help me!

Two brave souls from the Bahrain Hash House Harriers thought they should infiltrate the Hash whose name we do not speak! *spits* they were very clever and managed to sell goods right under the Haberdashers nose! HEROS!

Curved Balls on Saturday night was out at Old Beams showing off his new coozy. "It's the best coozy ever" he said, right as it hit him in the face after being caught on the corner of the table.

Tentpole did what he does every week. You know, going through Korean prostitutes. He ended up spending way too much money and wanted some of it back. So he decided he would go speak to their pimp. Tentpole calls The Referee asking for his money, when The Referee said "I don't know any Korean hookers, only Filipino, Bahraini, and English." Tentpole never got his money and now we know why! He was talking to the wrong pimp!

Accusations

The Referee drove on the hash again! The lazy bastard!

Naval Vessel told a close friend of the RA that she would not be drinking so she could lose weight. WHAT FUCKING WEIGHT IS SHE TRYING TO LOSE! We found her weight on a few of the other hashers.

Call Girl was looking for fame this weekend when he won his gulf tournament in Awali. He was all over the news! We have our very own version of Tiger Woods!

Red Cock Down was hiding a Coozy of the Hash we don't speak of with a Bahrain Hash House Harriers Coozy! SHAME!

Wanker of the Week: STTI because she called our amazing hash the wrong name!

ON-ON!
