Down Downs

D-Cup DUI saw R'Anus Cunny Linguist at Al Jazira. She was trying to buy meth. We all know Al Osra sells the best meth! She was like "Hey D-Cup! Im gunna lay the trail." D-Cup then proceeded to ask if it was a pub crawl which is when she was like "That's a great idea! Where are the pubs!?" We all know she was on something if she had to ask that question!

Ferdinand found an island and all he could say was HEY! HEY! HEY! HEY! HEY! HEY! Then got shot and killed! So if you are Portuguese or a Filipino you get a drink! (Drag Queen, Dancing Queen, Tentpole, Christine) We all know there are no Portuguese on this hash but Tentpole believes he is 1/16th Portuguese! We don't need to get too deep into history.

Today in 1836, Texas approved their own constitution. We also know that ostrich meat is ok to eat! So if you either a Texan or an ostrich, get in the circle!

Tonight, many things happened, it rained and we did a trail inside of old beams. What else happened today? The website was updated! Head with My Mom gave it a 20th century touch!

Accusations

You would think this bright bunch would know how a down down goes but apparently D-Cup DUI, Ham Salami Bacon and Head with My Mom don't! We don't count 10 9 8 in the Bahrain Hash House Harriers!

Earlier today, Prissy Feckin Muppet went to Juffair to have a drink. If you know Juffair are over 20 years of age, you always go home with a hooker!

Tech On Hash - Queen latifa and Head with My Mom!

It's St. Patricks Day and D-Cup DUI didn't call out the Irish! What kind of RA is he!? Wait no.. WHAT KIND OF AMERICAN IS HE!? How dare he forget rum country?! For that he gets must drink fire ball! Text 4 Fun, Call Girl, R'Anus Cunny Linguist, Door Mouse, Drag Queen, Prissy Feckin Muppet, Right Feckin Muppet, and Rock My Weiner Schnitzel all get beer!

Door Mouse, Queen Latifa, Goat Dick and Red Cock Down get called out for not wearing green.

D-CUP DUI pointing fingers again and we all know we only point elbows!

Wanker of the Week: Ham Salami Bacon for being a grand Bitch!

Leavers: None

ON-ON!
